

ST ANNE PARISH FAMILY

January 2021

Dear parents and guardians,

In our Catholic faith, grade two (around age seven) is commonly when a person is eligible to receive the sacraments of Reconciliation and Holy Eucharist for the first time. It is with great joy and anticipation that St Anne Parish extends an invitation to you and your children to receive these sacraments.

As parents, you know that *you are your child's first and most important teachers of the faith*. Our goal as a parish is to walk with you and provide tools and information needed to help your child prepare to receive Christ in the Eucharist, and to experience his mercy in Reconciliation. We will be partnering with you by providing at-home resources and running virtual Zoom sessions for parents/ guardians and children together. On the next pages, you will find a schedule and more information about how we are approaching the sacraments during this time of Pandemic.

To begin this journey, we ask that you and your child attend our **virtual information session for children, parents, and guardians**. You have two options to attend: Sunday, January 10 at 6:30 pm or Wednesday, January 13, 6:30 pm. At this session we will present an overview of our preparation process, introduce the pastoral team, and walk through some of the family resources we will use. To access the Zoom calls, go to <https://us02web.zoom.us/j/83619116382> (January 10) or <https://us02web.zoom.us/j/86135780752> (January 13). These links are also available on our website at stanneskitchener.ca/first-eucharist.

While these sacraments are often celebrated in grade two, we also welcome any children above grade 2 who are interested. If your child has not been baptized, or was baptized into another Christian denomination and would like to become Catholic, please contact the parish so we can assist you.

If you have any questions or concerns we would be more than happy to speak with you. Please call the parish office to speak with Father Brian or with Mary, or email us at the addresses below.

Yours in faith,
St Anne Pastoral Team

"Each time we receive Communion, we resemble Jesus more; we transform ourselves more fully into Jesus. As the bread and the wine are changed into the Body and Blood of the Lord, so too those who receive it with faith are transformed into a living Eucharist." - Pope Francis

Preparation information for 2021 and the COVID-19 pandemic

- All formation will be available online and through at-home resource books.
 - The resource books provided from several Catholic publishers (Novalis, Loyola Press, and Our Sunday Visitor) cost the parish \$27 per child. To help offset these costs, we request that families provide a \$25 donation per child. However, if this is not possible for your family assistance is available. Donations may be dropped off at the parish, or brought when you pick up your materials.
- Online sessions will be offered on Sundays and Wednesdays and families may choose which group to join for the year. Depending on the Pandemic protocols in future some sessions may have an in-person *option*, but online will always be available.
- Our Diocese continues to work with Public Health to ensure we are following all safety measures for gathering size, cleaning, distancing and contact tracing. These will likely continue to evolve throughout the winter and spring.

The Sunday Eucharist

The Sunday Eucharist is at the very centre of Catholic Christian life. It is the “heartbeat” of the Christian life. Every aspect of our Catholic life – everything else we do – is rooted in our celebration of Sunday Mass. Without our participation in the Sunday Eucharist, our Christian lives are incomplete. The most important way to prepare your child is by participating regularly with him/her in the Sunday Mass.

As the COVID-19 pandemic continues to shift and change, we are making every effort to adapt and adjust our Sacramental preparation process. We were able to successfully and safely celebrate First Communion and Confirmation in October and November of 2020, following all protocols carefully. We ask for your patience, and welcome your feedback on how we can best journey with you in faith during this time.
