

ST JOSEPH

CATHOLIC CHURCH

Roman Catholic Diocese of Brownsville

May 11, 2020

Good Afternoon RCIA Students & Parents:

Bishop Flores has given us his instructions so we can begin making plans to reopen the church. We have to follow not only what Bishop says, but what the state, county, and city ordinances say as well, so this is going to be tricky. We will need to clean and disinfect the whole church after every Mass and Father Greg need help. We (Lectors, Communion Ministers, Sacristans, Altar Servers, Catholic Daughters, The Knights, and the Youth Apostolate) are putting together teams in order to properly do all the cleaning and disinfecting before the next Mass time. Can you help Father Greg?

Requirements:

- You have to be perfectly healthy (No colds, coughs, or any other medical conditions)
- You must have not come with someone who has COVID-19, or thought they might have
- You must be over the age of 15 and in high school
- You must have your parent's full permission
- You must be ready to work in a team and pay very close attention to details and directions. This is very important.
- You must be a hard worker and are willing to commit.

If you live with your grandparents or anyone over the age of 65, or someone in your immediate family has a chronic illness, and then please keep you and your family safe, this volunteer opportunity is not for you.

If you are interested and meet all the requirements, please let Carmen Flores, from the RCIA office know or contact me directly at (956) 383-3728 Option 4, with your name, parents name, telephone number and email address. PARENTS: If you can help that would be wonderful as well. I will turn your names in to Father Greg and let you know what he says. You must respond by Wednesday, May 13. Thank you and have a blessed day!

Fiat Voluntas Tua,

Christina Cortez

Administrative Assistant to the Pastor

St. Joseph Church
