

## Mass Announcement Coming Soon

Sunday Mass has been approved to resume on campus, but the university released new safety guidelines that our chaplains and student leaders must review before determining when our first Mass will be offered. You'll soon receive an email regarding our Mass schedule for the rest of the semester.

Please keep our ministry and the rest of the university in your prayers as we discern how to safely resume student activities.

### Newman Registration Form

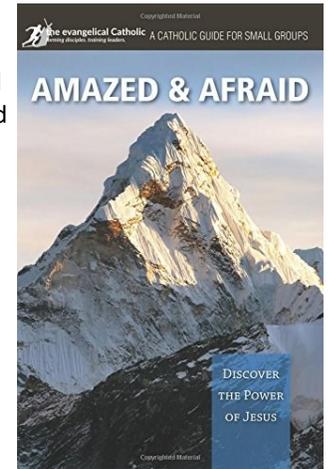

If you haven't done so, please complete the online registration form so our Newman Community can better connect with you! This form allows us to learn about your interests, and it only takes a minute to complete. Go to [munewman.org/ministry-sign-up](http://munewman.org/ministry-sign-up)

## 'Amazed & Afraid' Small Group

Discover how Jesus can impact your life by embarking on a six-week adventure of being 'Amazed & Afraid'. This unique Small Group via Zoom will be hosted by Tom, and each week will feature an incredible story from the Gospels describing people changed beyond recognition because they met Jesus. Whether you attend church regularly or have never encountered Jesus in a meaningful way, this Small Group will introduce you to the amazing relationship we can have with Christ.

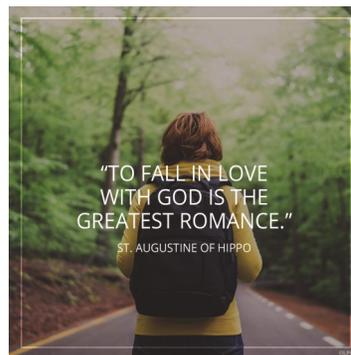

'Amazed & Afraid' will be offered on Tuesdays at 8pm and Thursdays at noon beginning the week of October 12. An Amazon gift card will be raffled off at the end of the six weeks, and participants who attend at least three sessions will be eligible to win. RSVP to Tom ([tprior@millikin.edu](mailto:tprior@millikin.edu)) and he'll provide the Zoom link.

## Campus Reflection

*Evalena Hartke - Vice President*

We live in a rapid-fire world. A world where information, opinions, and comparisons are thrown at us in seconds. When this stimuli becomes too heavy of a load, how can we carry it? Rather, how can we give it to God? We sometimes forget that God wants us to welcome him into our lives, even for the little things. He wants to be a part of our joys and wants to help lift our burdens. We just need to let him. This is where prayer comes in. There are so many ways you can pray: traditional prayers like the Our Father, talking to Christ like a friend, prayer journaling, reading Scripture, writing worship songs or poems- the list is endless. The point is, incorporating Christ in your daily life is essential to dealing with daily stressors and overwhelm. As with any relationship, communication is necessary to strengthen the bond. If we do not communicate and talk to our God, how do we expect to foster a strong relationship with Him? Through prayer, we humble ourselves before Him and are able to give Him any burdens as well as thank Him for our blessings, the combination of which helps us keep a positive outlook during hard times because we know God will take care of us.
