

Donuts & Raffle After Mass

February 9th is our second annual Pack Pilling Mass! The goal is to set the university record by having at least 34 students attend Mass.

Please write your name on a card at the back table and put it in the raffle bucket. After Mass, we'll draw names for various Newman prizes. Complementary Krispy Kreme donuts will be available after Mass, too!

Featured Saint – St. Joseph of Cupertino

St. Joseph of Cupertino was an unpopular child because he was a slow learner and forgetful, and he had difficulty passing entrance exams for the seminary. He prayed often and tried living the fruits of the Holy Spirit.

Eventually, he passed his seminary exams and became a popular priest, often noted for his devout spiritual life. He was known for levitating during Mass and when praying.

He's the patron saint of pilots and people studying for exams, so ask for his intercession the next time you're preparing for a test!

Valentine's Day Goodie Bags

In honor of Valentine's Day, we're handing out free goodie bags in the UC Lobby from 11:30-1pm on Friday, February 14. Each bag will include candy and a card explaining the life of St. Valentine.

We need volunteers to sit at the table on Friday, so if you're available and want to help, please sign up for a time slot on the back table.

The application deadline for the Spring Break Service Trip is Sunday, February 16. A stipend is available for one student to co-lead the trip. Contact Tom ASAP if you're interested.

Campus Reflection

Dom Marco – Junior

Every semester at college has brought new challenges. When I first arrived at school, the challenges were making friends and learning to live on my own. Slowly, I became adjusted to college life and made connections with other students, especially students in the Newman Catholic Community. Now I am in my last semester of school, and I realize college is more than just getting grades and checking boxes. Reflecting on the passage John 15:13, I have learned what it means to help others, "Greater love has no one than this: to lay down one's life for one's friends." This verse has taught me that setting time aside to help others is key to getting the most out of my time at college. Throughout the next few weeks, consider setting time aside for service and going out of your way to help your roommate. Not only will helping others bring you closer to yourself and others, but this will strengthen your life with God.
