Each year in October we normally host our annual Fall Festival; however, due to the ongoing pandemic, this year we are not able to host our Fall Festival. The annual Festival is one of two major fundraisers for our school.

As we search for new ways of fundraising to “bridge the gap” between tuition income and the actual costs of educating students, we ask that you support our smaller fundraisers along the way (i.e., Harvest Fest, Halloween “Boo” Grams, Penny War, etc.). These fundraisers are held as a way to have FUN with our students but the funds raised will greatly assist in supplementing our budget shortfall from not being able to host our Fall Festival.

Be on the lookout for informational flyers coming home over the next few weeks on these upcoming events and more!

We truly appreciate all that our families do to support our school.

SNACK SALE FRIDAYS!

You may hear your child asking for \$1 on Fridays. Every Friday our school host a snack sale during recess, selling soft drinks, popcorn and candy. All items are \$1. Students not only get to enjoy a treat during recess but they also learn to “shop” on their own.
