

Dear Parents and Students

Students are required to do a minimum of 1 hour of iXL a week for their computer grade. This is part of their assignment they are already doing for their Math and ELA classes. I will be checking my email during the following times each day; 9AM – 11AM and again from 1PM – 3PM. Please email me if you have any questions at [gnicholas@stpeterreserve.org](mailto:gnicholas@stpeterreserve.org).

Thank you and God Bless,

Mrs. Grace Nicholas
