March 14, 2020

Dear Parents,

Now that we have had a moment to catch our breaths, I would like to let you know of what we have planned for the continuation of your child's academic year.

The teachers will be on campus Monday, March 16. They will be preparing learning packets for PreK – 4th grade students. These packets for grades PreK – 2nd grade will be **optional**. The packets will contain material from skills they have already learned but will provide practice for better retention of these skills.

The packets for our 3rd – 4th grade students will be **mandatory**. More specifics will be given following Monday's faculty meeting.

All packets will be available on the school's website beginning Wednesday, March 18 as well as available in the school office on Tuesday, March 17. The school will be open on Tuesday from 8:00 a.m until 1:00 p.m. if students need to get anything from their classroom or if you want to pick up a packet.

As a reminder, all of our textbooks are available on-line through Pearson. All students/families in grades Kindergarten through 7th grade were provided with Pearson login information in the beginning of the year. If you need it sent again, please email Jane Clement at jclement@stpeterreserve.org and she will resend it to you. The site is very resourceful besides their textbooks you can also locate tutorials, games, and other valuable information.

I spoke with our Middle School students on Friday about continuing their studies via google classrooms. The students are very comfortable with this because they have been using this all year. Following our faculty meeting on Monday, March 16 more information will be provided to you and your child.

As I stated yesterday, this is an unprecedented public health challenge. I appreciate the hardships this poses on all of us. We will do the best we can to ensure our students' academic year continues until we are all back on campus again.

The teachers and I are all available through email if you need to contact any of us. As I stated before, following our meeting on Monday, I will have more specific information available for you.

I will keep all of you in my prayers during this time.

Sincerely,

Marie Comeaux, M.Ed.
Principal
