Parental Statement of Commitment

The church reminds parents that they are the primary educators of their children, especially in the Faith. The parish catechism program does not take the place of parents, but rather assists them in their efforts to share their Faith with their children

At Baptism, parents made a solemn commitment to raise their children "in the practice of the Faith". Families need to actively participate in the life of the /church, especially in the Sunday Mass and Holy days of Obligation.

Parents support the religious education curriculum by participating in parent sessions and working with their children at home. They ensure that their children attend class regularly, are prepared and have done assigned work.

Parent cooperate with the catechist and the parish priest to promote the best possible learning experience for their children.

Sacramental Prep Requirements:

- Copies of child/ren's Baptismal & Birth certificate to the Parish Office
