

St. Anthony's Council of Catholic Women Phantom Tea Party

We provide the Tea Bag and you provide a convenient time & place to enjoy your cup of tea.

While you are sipping, please prayerfully consider and decide how much you are able to donate to help a poor family in our Sister Diocese in the Dominican Republic realize the dream of living in a real house. With your purchase of a much needed item such as a window, door, paint or a donation to cover the cost of an entire house, a dream can come true.

Be a gift of shelter!

Sheltering the homeless is a corporal work of mercy.

"I have come so that they may have life and have it more abundantly"

John 10:10

CONSTRUCTION COSTS
