

JFK is excited to announce that we are participating in online Scrip shopping! There are over 700 cards to pick from! JFK Families can receive credit toward their fundraising goal with Shop With Scrip. Any family member can join whether in state or out of state. Family members will designate which JFK family they would like their credit to go towards.

To begin using Shop With Scrip, you can simply log into shopwithscrip.com and create your account. You can also save myscripwallet.com to your home screen for easy ordering. You will need the enrollment code **F622ACBB1643**. Please share this enrollment code with anyone you are inviting to participate. (Please understand that this code is **never** to be shared on a social media site or anywhere for the public to have access).

There are multiple options when ordering. The types of cards are Physical Gift Card, e Gift Card and some have the option to reload a gift card.

- Physical gift cards will be placed by the administration every month. When choosing a physical card you can choose to pay in the school office, either by the Gift Card Form or out of the book of cards on hand. With this option your card will not be ordered until the payment is received.
- If you choose an e Gift Card the Gift Card will arrive quickly on your device. This option is extremely convenient. If you are out to eat, you can simply purchase the card while at dinner. If you are in line at Target, simply purchase your Target e Card to use at the register. With the e Card option, you have the option for purchasing with a credit card. (The fee for this is 2.6% per transaction). The best option is PrestoPay. PrestoPay charges \$.15 per transaction, not per card. You can enroll for PrestoPay on the MyScripWallet app.
- **During the month of March, if you place an online order your name will be placed in a drawing for a \$25 gift card of your choice.**

Many times throughout the year, retailers will offer incentives. For example, Bath and Body Works recently increased their profit, Krispy Kreme is currently 10% instead of 8%.

Your credit will be reported quarterly to Brianne Thomas, to be updated on Goal Tracker.

Please, understand this beginning process may take us awhile to work out any issues. If you have any questions or concerns, please contact me, Rita Seng at ritaseng96@gmail.com or 724-344-3046. I look forward to all of us making this successful and profitable for JFK.
