A director in Hollywood is looking for the perfect show to produce this year during a global pandemic. She has been searching high and low for a show that has never been done before. The show opens with the director knocking on the doors of the local talent agency, JFK, and actors and actresses ready to set the stage for the production. The director starts her journey with directing scenes from "Singin' in the Rain".

After she has realized that this is overdone, she moves onto a new show, a New York based show, "Thoroughly Modern Millie", where Millie is faced with the hustle and bustle of the big city. After getting tired with that production she moves onto the hit "Hello Dolly!" featuring the most experienced of the JFK talent agency. Realizing that she needs a change of scenery, the director looks into producing a western show, "Oklahoma!" With the largest cast on stage, she finds that they are just too much for her and moves to the most modern of the chosen shows, "Grease".

Finally, the director comes to a decision that none of these shows are what she is looking for. She wants something genuine and authentic and stumbles upon "The Greatest Showman". The show ends with the young actors and actresses coming together in a final number commemorating the directors choice and the magic of theater. END SCENE!
Covid 19 Precautions

** Masks were worn in the making of this production

** All production staff and students were marked 6 feet apart

** All areas of the stage were cleaned at all times
Abby Bodart plays Irene Malloy in “Hello Dolly!” and is in eighth grade. This is her 6th musical production that she has partaken in. Other activities she has been involved in are cross country, track and field, volleyball, basketball, PJAS, Student Council, and MathCounts. She would like to thank her friends, teachers, and family members for pushing her to be the best she can be. Also, she wants to thank all of the people who made the musical possible this year, especially Miss Janocha. Good luck Abby!

Alex Almeida is playing the role of Barnaby Tucker and P. T. Barnum in Hooray for Hollywood. This is his 3rd year doing the musical at John F. Kennedy. The musical is one of Alex’s favorite activities at JFK and he looks forward to recording the show. Alex wants to thank the Ms. Janocha and the other directors for making the show happen this year, his friends for making the musical a more fun experience, and his family for letting him participate in the Musical.
Clare Ruffing is playing the role of Minnie Fay this year. This is her 6th year in the drama club. She enjoys spending time with her family and playing with her dogs. She also plays volleyball, basketball, and runs track. Clare is on student council and plans to attend Bishop Canevin High School in the fall of 2021. Clare thanks her parents for supporting her and JFK drama club for 6 wonderful years of musicals!

Izzy Moyer is playing the roles of Clarice and Lettie in her last JFK production, and she couldn’t think of a better way to say goodbye to the countless on and off-stage memories since 3rd grade. From Munchkinland, to Under the Sea, to the Planet of Who, to Broadway, to what would’ve been the Kingdom of Arendelle (but the pandemic had other plans), to last but not least, Hollywood, Izzy never had a dull moment in JFK theater. She's an 8th grader who enjoys singing, volleyball, writing, nature, and time with family, friends, and her three cats. Izzy will be attending Bishop Canevin this fall where she plans on continuing to perform in school productions as well as playing volleyball. Izzy would like to thank her family, friends, directors, castmates (both past and present), and anyone else who has supported her throughout the years and who has made this year's production possible!

Jacob Rieg is playing Cornelius Hackl in this year’s production, “Hooray for Hollywood”. This is his second year in the musical. Jacob is an eighth grader who competes on the Basketball, Cross Country and Track & Field teams at JFK, does PJAS, and plays travel baseball for Beaver Valley Baseball. Jacob is going to Trinity High School next year, and he will miss all of the friends and teachers that he met at JFK. Jacob wants to thank his teachers and coaches, and especially Miss Janocha for encouraging him to do the musical and believing in him.
Becca Krofcheck is playing the role of Dolly Levi. This is her 5th full performance at JFK, and can’t wait for everyone to see this spectacular production! She enjoys singing, dancing, volleyball, track and field, and partaking in numerous church activities. She will be attending Wheeling Central Catholic for high school, and will miss her school and drama family dearly. Finally, she would like to thank her parents for choosing JFK, and her supportive friends, family, teachers, directors, cast mates, and crew for all their hard work and encouragement.

Rylee Ondrejko is in the 8th grade and this is her 2nd year participating in the drama club. She is very excited to participate in this production. Along with drama club, Rylee was also included with Altar Serving, Volleyball, Track, Cross Country, and Basketball. Rylee plans to attend Wheeling Central Catholic High School and would like to thank her parents and whoever else supported her in this.

Samara Scott is in 8th grade. This is her first and last year in the musical. She enjoys playing other sports at JFK and will be attending Wheeling Central Catholic High School next year. Samara would like to thank Miss J and Mrs. Florian for helping us put on a wonderful production. She would also like to give a special thanks to her basketball coaches for all the support they’ve shown her.
Trevor "TrevDawg" Swanson is a 14 year old child (currently) who attends school at John F. Kennedy Catholic School. He likes to play a lot of video games and he's been partaking in the JFK musical consistently for a few years. He's done several musicals and he’s doing another one this year. Sadly, he’s graduating this year and won't be able to do anymore musicals at JFK, but he will remember the memories he spent with friends and with the JFK musical cast.

Ty Wheeler will be playing the roles as a judge and an ensemble member. This is his first year in the John F. Kennedy Catholic School musical. He is in 8th grade and loved watching shows, but never pictured himself being in one. He enjoys video games, football, basketball, baseball, running, and talking to his friends. Ty will be attending Wheeling Central Catholic this fall for high school. Ty thanks his grandmother for letting him attend JFK and finally, he thanks Miss Janocha and all of the others who put this show on for them.

Zoe Kumpfmiller is playing the role of the Director. She is currently in the eighth grade and this is her seventh year doing the drama club. At JFK she also does basketball, track, and volleyball. Zoe will be attending Trinity High School next year. Zoe would like to thank her parents for being supportive of her dumb decisions, her sisters for making her look like a better person, and all of her friends for encouraging her to actually be a better person. She would also like to thank everyone involved with the drama club for making her time participating in the shows spectacular!
A NOTE FROM THE DIRECTOR:

“I am so proud of the students for putting two and a half months of hard work and commitment into this show to make the revue a silver screen movie. With the pandemic against us, we have come out on top. WE, at JFK, produced our first ever virtual production of a musical following all of the procedures in place. This is something to be proud of!

I would just like to personally thank everyone who has helped make this show a success and all those who believed in this dream. I would like to thank my family for their constant support and dedication towards this production. The show would not go on without my supportive family! They help to make my dreams, as well as the children’s dreams, come true!

The students would like to dedicate this performance to all of the families that have helped support the fine arts at JFK over the past 10+ years.

Thank you to Mrs. Stevenson, the elementary and middle school faculty, priests, deacons, and staff who continually support the Arts at John F. Kennedy Catholic School.”

Blessed,
Miss Emily Janocha
“No one ever made a difference by being like everyone else, and that is why the noblest art is that of making others happy.”

BREAK A LEG!

When we travel to Oklahoma! with our cast, and say Make ‘Em Laugh to the Thoroughly Modern kids in New York and rehearse So Long, Dearie because we don’t want to get stuck Singin’ in the Rain when we practice for you in Hooray for Hollywood, we are all so proud of your dedication! Not for the Life of Me could Miss J figure out how to do a show during a pandemic, but she was no Beauty School Dropout to turn it into The Greatest Show. The audience should sit back, relax, and say Good Mornin’ and have Oh, What a Beautiful Morning because We’ve Got Elegance during our performance because this is the JFK Spring Musical kids cruising in Grease Lightin’ saying This is Me!!
