

# Mrs. Jozwiakowski's Monthly Message

September 2021

cjozwiakowski@jfkatholic.com 724-225-1680

## What are we doing in school this month?

I am so happy to meet all of you and work with such wonderful families. This month we will be getting to know each other, the classroom and our routines and procedures for this upcoming year. We will stay focused on learning our classroom covid friendly procedures.

### ELA

- We will be using our Wonders curriculum to learn about what makes us special?
- We will be talking about friends, pets, family, school and where we live.
- When reading short stories we will focus on finding key details and vocabulary.

### MATH

- While learning about our math manipulatives and how we use them we will also be working on these math skills.
- Solve addition word problems within 10
- Add within 10
- Solve subtraction word problems within 10
- Subtract within 10

Be Kind To One Another - Ephesians 4:32
