Seven Considerations While Navigating Infertility

Read the full version at
respectlifeprogram.org/navigating-infertility.

We often assume parenthood happens easily after "I do," but for many married couples, it does not. For some, the joy of conception never happens. Others suffer repeated miscarriages. Still others experience secondary infertility: after giving birth to one or more children, they are unable to have another. If you experience difficulty bringing a child into your family, know that God is with you, and that He has a beautiful plan for your life as a married couple.

God is with you, and His Church desires to walk with you.

You are not alone; His Church desires to walk with you. The full article at the website listed above contains compassionate, practical guidance, intended primarily for married couples struggling with infertility, though others may also find it to be informative.
