CATHOLIC SCHOOLS

## **LAKE MICHIGAN CATHOLIC SCHOOLS FACULTY WISH LIST CHRISTMAS 2018**

Lake Michigan Catholic Schools provide a benefit to our students that they can't receive anywhere else- prayer and the Lord are a part of their school day. Standardized test results show that our students are among the top in the area because we provide the very best education-Mind, Body and Soul.

While we are able to provide our staff and students with most of what they need to be successful, there are a few items that our teachers and staff are wishing for during this Christmas season. These are extras that teachers and staff feel would enhance their classrooms and school programs.

If you are interested in helping fulfill a wish, please call the elementary school and ask to speak to Mrs. Chris Glendening about the teacher or staff regarding their request. The phone number for the school is 269-429-0227. You can contact Chris Glendening directly at 269-757-4391 or email [cglendening@lmclakers.org](mailto:cglendening@lmclakers.org)
