Extracurricular Activities

**Boy/Girl Scouts**
Lake Michigan Catholic has an established and active scouting program. From Daisies and Tigers to Junior Girl Scouts and Webelos we include all age groups. The Scouts provide community service and offer leadership opportunities for their participants. The Boy Scout Pinewood Derby is held here each year and is a premier community event.

**Trekking**
We have established a trekking club under the supervision of Mrs. Nina Binger who teaches 4th grade here at LMCES. In the fall and spring a group of 3rd, 4th and 5th graders trek in Knauff Park, which is located directly behind the school, every Monday weather permitting.

**Little Laker Drama - Variety Show**
Our youngest Lakers have the opportunity to be involved in a school play from auditions to performance each year. LMC Middle-High School Drama Club mentors the elementary drama students in two performances of the elementary play each year and assist with makeup, costumes, and the technical aspects of the performance.

**Young Rembrandts**
For our youngest artists we offer an after school art program through Young Rembrandts. A local artist comes in for an eight-week program. They study and create art using varied techniques and media.

**Girls on the Run**
Girls on the Run is a nationally acclaimed girls-only, positive image building program. Our local United Way sponsors this program for girls in our county for grades 3-5. The program consists of 26 lessons that incorporate physical activity and self-image building, and culminates in a county-wide 5K run.

**Citadel Dance & Music Center**
The Citadel Dance & Music Center is partnering with Lake Michigan Catholic Schools to offer 5th and 6th graders cello, violin or viola lessons after school. The Citadel offers LMC students a reduced rate on these classes and LMC provides transportation to the Citadel twice weekly for this program.
