RE: Student Medical Information and Emergency Contact Forms

Hello Parents,

Please take a few minutes *today* to verify and/or complete your student's' medical information and emergency contacts in ParentsWeb.

We will be using RenWeb to house and access this information for school & sporting events. If there's ever a medical issue or other emergency, we need to have complete and up to date information.

To Access Medical Forms & Emergency Contacts:

Go to <https://lm-mi.client.renweb.com/pw/> or click on ParentsWeb in the top line menu of the school website at www.lmclakers.org

Login to ParentsWeb (use the same ID & password you created during enrollment)

The ParentsWeb home page will display.

Click on "Web Forms" on the left side under School Information.

The Web Forms page will be displayed. Click on "Family Demographic Form"

You will see a list of forms for your student. Click on the "Student Medical Form" for each of your students.

Please make all information on this form is correct and up to date.

You can access this form at any time if there are any changes that need to be made.

If you forgot your password, use the "Forgot Password" link on the ParentsWeb login page.
