Re: TECHNOLOGY Acknowledgment Form

Dear Laker Parents and Students:

This year's handbook will be posted on www.lmclakers.org within a few days of the start of school, it is filled with important information that will help students and parents understand our school policies and expectations. We will strive to be as consistent as possible in terms of policy enforcement; however, it is important to understand that no two situations are alike. With this in mind, we appreciate your support and cooperation in all administrative decisions.

This form will provide acknowledgement of our acceptable use policy for computer and Internet usage.

To ensure that our school year begins with a common understanding of LMC's technology expectations, it is required that the Acknowledgment Form on the reverse side of this letter be signed and returned by **August 26**. Middle School students may turn their form into their first hour teacher. High School students are to turn their form into Mrs. Barden when their Chromebook is issued.

If you have any questions relating to the policy please feel free to contact the principal.

God Bless.

2019/2020 Lake Michigan Catholic Schools

High School 1:1 Device Policy Computer Acceptable Use Policy Acknowledgment and Consent

I have read and understand the contents of the 2019/2020 Technology policies listed above. Further the undersigned agree to abide by these guidelines and policies.
