LAKE MICHIGAN CATHOLIC SCHOOLS PARENT/GUARDIAN AGREEMENT

When you make the decision to enroll your son or daughter in Lake Michigan Catholic Schools, you are choosing to make a sacrifice, both in financial as well as personal time commitments. These commitments are seen as an act of love that can last a lifetime.

In addition to the initial commitment of enrollment, we as an administration and staff, feel that each parent must also assume the responsibility of an ongoing commitment by helping us as much as possible with the day-to-day process of education.

Please review the contents of this handbook and discuss it with your child/children.

I have read and will abide by the expectations of Lake Michigan Catholic Elementary School.
