PREAMBLE

The Bishop of Kalamazoo is, canonically responsible for all activities of the Lake Michigan Catholic Schools, and holds title to all property, both real and personal.

The Kalamazoo Diocese Office of Schools is dedicated to sustaining and improving the quality of Catholic formation and education in our Diocese. The Office of Schools at the Diocese serves as the administrative structure through which the Bishop directs and moderates the education and catechetical activity in the Diocese.

The Office of Schools enacts Diocese policies, monitors school improvements through accreditation, provides opportunities for orientations, in-services, and workshops and provides administrative assistance to Catholic schools and local consultative advisory bodies, such as the Catholic Community Education Commission.

To assist the Bishop in meeting these responsibilities, he has authorized an organizational structure for governance and management consisting of a Community Education Commission. The Articles and Bylaws of this Constitution define the Education Commission.

The Pastoral Board, as defined in Exhibit 1, is responsible to the Bishop for the Administration of the Lake Michigan Catholic School system. The respective Principals function as the Chief Executive Officers of their respective Schools. A copy of the Lake Michigan Catholic Organizational Chart as of July of 2018 is attached hereto as Exhibit 2.

This structure is based on principles of collegiality and subsidiarity and represents an appropriate sharing of responsibility of the works of the Church among the People of God.
