

Middle School 2019

HAVING A BALL WITH GOD!

All youth entering grades 6th, 7th, and 8th in the fall of 2019 are invited to **JDW's summer camp, "Having a Ball with God," August 19th through the 22nd.** The main message of the camp will be to learn that you can have fun with God. He is our Father and we can be who we are with Him. He is looking for a relationship with us which includes having fun with Him. We want to make Him a part of our life in the good times, bad times, and even the fun times! **Sign up begins on May 15th, 2019 on our middle school page of JDW's website.** The cost for this 4-day camp will be \$68/youth, which will include expenses for snacks, crafts, "field trips", t-shirt, and transportation to a Bowie Baysox game.

We are looking for JDW teens and adults who would be willing to help out with this camp. We will need 5 adults and 10 high school teens who are willing to work with our youth in our games, snack, and craft tracks. Adults must be "Virtus" certified in order to participate as team members for this camp. Adults/teens can sign up online on the participant page as well. The registration page will also tell you where you can go to become Virtus certified in June if needed.
