January brings frosty fun to our classroom! We will explore snow, winter clothing, hibernation, polar bears and penguins. Some of our favorite stories include: THE MITTEN by Jan Brett, THE HAT by Jan Brett and THE MITTEN TREE by Candace Christianson. The fours will act out The Mitten story while the threes will make mittens to hang on our mitten tree. We will enjoy tactile fun with "snow art" and sing songs about snowmen and keeping our tummies warm with "Hot, Hot, Hot Chocolate"!

We will practice patterning with striped scarves and sorting/matching with mittens. We will make ice (weather permitting).

Later in the month we will all become space cadets and explore outer space! Put on your helmet and buckle your seat belt - the space shuttle will be taking off soon!!

Our letters this month include Ll, Mm, Nn and Long Oo.

Our numbers are 11, 12, 13, and 14, and our shape is OVAL.

May all your families be blessed abundantly in 2020! Happy New Year!!

REGISTRATION for 2020-2021 is coming up! Look for forms and information to come home in your child's folder in the next few weeks! Enrollment is open to families of currently enrolled students first, then to the parish and then to the general public.
