## **PHILOSOPHY**

It is the mission of the *Good News Preschool* to promote the social, emotional, cognitive, motor and spiritual development of three, four and five year old children within a fun-filled, loving, Catholic environment.

## **LEARNING ENVIRONMENT**

Our learning environment is one in which the uniqueness of each child is emphasized. Our program offers developmentally appropriate activities for each age group in each instructional area. The class size for three-year-olds is limited to a maximum of 12 children, and the class size for four-year-olds is limited to a maximum of 15 children. There is a teacher and an aide for each class. The teacher introduces key concepts of learning and provides opportunities and activities for children to explore these concepts in a hands-on environment. Communication and social skills are encouraged through group activities and cooperative play. Enhancement of gross and fine motor skills is fostered within the classroom setting and during outside play. "Creation stations" covering selected topics in science, social studies, mathematics, and language arts encourage both problem solving and creative growth. The children experience prayer and celebration through music, traditions and Bible stories, while developing a sense of reverence for all life.

## **PARENTAL INVOLVEMENT**

The staff of *Good News Preschool* encourages communication and cooperation between school and home to make your child's preschool experience the best it can be. Our newsletter, "*Good News*," will be sent home monthly via email to provide parents with the upcoming curriculum and special events. Conferences will be held upon request. A progress report will be sent home twice a year.

Parents are asked to provide their child with a nutritious snack each day. We will provide each child with cool water during snack time. Please remember that this is not lunch. *The children only need a small snack to hold them until lunch time.*

Any parents who have a special talent or interest and would like to share their gift with the children during the school day are encouraged to speak with the teachers.

## POLICIES

### OPENINGS & CLOSURES

Our calendar year runs from early September through the Friday before Memorial Day in May. We will follow the Calvert County Public School calendar with regard to most vacation days. A list of days we will be closed can be found at the back of this handbook. **Please post this in a prominent location for future reference.**

When there is a possibility of school closings due to inclement weather, please follow the county's public bulletins. **If Calvert County Public Schools are closed, there will be *no preschool class*.** However, if CCPS have a delayed opening time, we will be

open for class. If heavy snows or icing begins during school sessions, parents should come early to pick up their children. Days lost due to inclement weather will **not** be made up at the end of the school year.

## **ARRIVALS & DEPARTURES**

Class Days:

3-year olds  
Tuesday and Thursday 9:00 a.m. – 12:00 p.m.

4-year olds  
Monday, Wednesday, Friday 9:00 a.m. – 12:00 p.m.

Parents are responsible for bringing their children to school and picking them up at the end of each session. Children are required to be in the presence of an adult until the teacher greets them. ***The doors to the classroom will open at 9:00 a.m.***

Parents need to arrive ***on time*** for departures. Written notice is needed if your child is in a carpool. The teacher ***must*** be notified by a parent/legal guardian if the daily driving schedule changes. Children will be allowed to leave ***only*** with those individuals specifically authorized by parents/legal guardians. This is to ensure the safety of the children. ***All children must be in a car seat as required by state law.***

## **HEALTH ISSUES**

Parents must notify teachers of all medical conditions and concerns regarding their child. Basic first aid will be administered in the event of minor injuries and written notification of the occurrence will be sent home that day. All teachers have completed the American Red Cross community First Aid, Safety, and CPR class specifically designed for early childhood caregivers.

## **DISCIPLINE**

It is the policy of the ***Good News Preschool*** to maintain a positive approach regarding the matter of discipline. A child may be told that there are some things he/she may not do at preschool. The first time a child displays inappropriate behavior, the teacher will try to encourage the child to try a different activity through redirection. If the problem is not corrected, the teacher may take the child aside to try to discuss the problem. Finally, the child may be asked to sit briefly in a chair to take time to calm down before rejoining the group.

At dismissal time, the parent will be notified of any significant behavior issues that occurred that day. When a child is picked up from school by someone other than a parent and in an effort to relay information regarding behavior issues, a teacher will contact the parents by phone or email.

Parents will be called to arrange a conference in cases where discipline is a continuous problem. The school reserves the right to dismiss a child from the program who is repeatedly disruptive to the class and who demonstrates an inability to accept adult direction.

## **DRESS**

All clothing should be comfortable, suitable, and appropriate for weather and play conditions. **Clothing should be easy for the child to manipulate in the bathroom.** Closed toe shoes are strongly recommended as this helps prevent the child's discomfort from the playground mulch and offers stability in walking up and down the hill to the playground and in running and playing. Children will be going outside each day when the weather permits and the temperature is above 40 degrees.

On the first day of school, each child is to bring a change of clothes to keep at the school. This change of clothes should include underwear, socks, pants and a shirt. These clothes should be placed in a plastic Ziploc bag with the child's name printed clearly on the bag. In the spring, parents should bring in a change of clothes more suitable for warmer weather.

Please be sure to use sunscreen before coming to school on sunny days.

## **FINANCIAL**

Tuition is due on the *first day* of each month. Any tuition not received by the 5<sup>th</sup> of each month will be subject to a *late charge* of \$25.

**M-W-F class tuition is \$300/month**

**T-Th class tuition is \$225/month**

**Payments should be delivered directly to the preschool.**

For families with more than one child registered, the oldest child pays full tuition and any additional children receive a 25% discount. Regardless of the number of closings or delays due to weather conditions, there will be *no* tuition refunds. In addition, if a child is taken out of school for vacation or illness, full tuition for that month is still due.

*Good News Preschool* requires **one month** written notice for withdrawal of your child from the preschool program. **Failure to provide this notice will result in a charge equal to one month's tuition.**

## **SICKNESS & EMERGENCY**

*Out of generous concern for others, please do not send your child to school if she/he has a severe cold, cough or fever. Please do not send your child to school if she/he has had diarrhea, vomiting, or fever within the last 24 hours.*

If a child comes to school with an illness, the parent will be called to take the child home. An emergency form with at least three persons who can be contacted during the day in case of sickness or an emergency **must** be completed and given to the school by the first day of class.

## **TERMINATION**

Termination of enrollment may result from:

1. Failure to pay tuition
2. Withdrawal of the child by the parents
3. Mutual agreement between the parents and the school if the child's adjustment to the program is not satisfactory
4. For any reason deemed justifiable and equitable by the preschool administration.

## **TOYS**

Children should **not** bring toys to school. The school has a large inventory of toys for use during the school day. Special times are set for a show-and-tell period. If a special situation arises with something of interest or value to the child, please let the teacher know so they can arrange for a showing. Please do not permit children to bring chewing gum, candy, or money to school.
