## OPEN FOR BUSINESS

We have just received word from Bishop LaValley that we have permission to open the church for public Masses with 25% of capacity. All Masses will be at St. Peter's Church which has the largest capacity. We will have to follow strict guidelines including all people 2 years of age or older wearing facemasks. We will have extra facemasks available as no one will be allowed to enter church without one. Ushers will guide the seating, dismissal and communion lines with social distancing. The Bishop has extended the dispensation from the obligation to attend Sunday Mass to those at risk including those over 65 and those with health issues. For the time being, these people should continue to stay home watching on TV or internet or listening to Mass on radio. **Masses at St. Peter's will be 4 pm on Saturday and 9 and 11 am on Sunday.** Check the pastor's column in the bulletin for more detail.
