Scam Alert

Recently, parishioners and office staff have been receiving emails purportedly from Fr. Francis, asking for financial assistance or other favors. These are scam emails originating from another source that seek to gain personal information from you or your computer. Please be advised that any emails from Fr. Francis or the church staff will come from their church email address. Please be cautious when receiving suspicious emails from any source.

Mission Statement Revision

We are in the process of revising our church parish mission statement. For several weeks, Fr. Francis has addressed various parts of the statement during his homily. We invite and encourage feedback and suggestions from our parishioners on modifications and changes that should be made. Please keep in mind that our mission statement should define the vision and purpose of our church, providing direction and helping us fulfill what God has called us to do.

Please put your suggestions and comments in the basket labeled "Mission Statement Suggestions" in the back of the church.
