All officials are assigned to a "home base" region, based on where you live. That region is coordinated by our Recreational Specialists. Refer to our website and find the proper region and Rec. Spec. who will assign games.

Please communicate and understand the business practices of your particular assigner.

CYO EXPECTATIONS include:

- Wear the appropriate official's uniform (NO SHORTS).
- **Must review all CYO Policy and Modifications, and have them at all CYO Contests.**
- Communicate and confirm CYO games with home teams.
- Do not give or accept a CYO game assignment from another official without CYO Approval.
- Fee per game is \$50.00.
- NEVER accept fees at a game – Payment will be issued by the CYO office as per the payment schedule.
- All Technical fouls and Uniform Violations MUST be reported ASAP to Mary Ellen Cain, (maryellen@cyoli.org).
- Accepting a CYO Game (verbally/ written) is a Contractual Agreement - CYO expects all officials to honor their contract, or fines will be assessed to noncompliant officials.

When assigning games for High School programs, efforts are made to assign Varsity certified officials, pending their availability.
