NEW CAMP FACILITIES

ST. ANTHONY'S HS

In 1968, more than fifty years ago, the All-American Basketball Camp began in Smithtown, New York at St. Anthony's High School. It is with great pleasure that camp director, Gus Alfieri has accepted a generous invitation to bring his camp back to where it all began with the Franciscan Brothers. The school's magnificent campus is now located in suburban South Huntington, has a beautiful air-conditioned gymnasium with ten baskets, and is the school where Alfieri coached state championship teams that often earned national attention. St. Anthony's High School has maintained its academic excellence as well as a national sports reputation. Coach Alfieri also has a warm spot in his heart for the school that honored him by placing his name upon its gymnasium floor, and welcomed him back!

St. Hyacinth's Centre

located at 319 Cedar Swamp Road in Glen Head, Long Island is the location of our new 2021 campsite. The wonderful camp facility is a multi-acre suburban location on the celebrated Gold Coast of the North Shore of Nassau County, Long Island. The professional full-size air-cooled gymnasium has two full-length courts and six baskets, four outdoor courts with air-conditioned lunch facilities as well as the medical aid office.
