

## Catholic Jeopardy!

Bring all the fun of Jeopardy into your home while you review teachings of our faith.

You will need:

- Bells/buzzers for contestants to buzz in with an answer
- Print copies of the clues, cut and placed face down on a surface using the template below
- Write the dollar amount on the backside of clues in each column

How to play

- This game is played like Jeopardy with the answers showing on the board and contestants answering in question form.
- There are six categories: Old Testament, Miracles and Parables, Saints, Prayer, Nicene Creed, The Holy Spirit
- Under each column are five clues (phrased in answer form), increasing in value and difficulty.
- The first player picks a category and a dollar amount. The host then turns that answer/clue over as they read the clue. Once the answer is read, contestants may signal with their bell/buzzer they want to respond.
- The first contestant to ring in successfully must respond in the form of a question. (What is a Church? Who is the Holy Spirit?).
  - A correct response earns the dollar value of the clue and the opportunity to select the next clue from the board.
  - An incorrect response or a failure to ring in within the time limit deducts the dollar value of the clue from the individuals score and gives any remaining opponent(s) the opportunity to ring in and respond.
  - If none of the contestants gives a correct response, the host reads the correct response and the contestant who has most recently given a correct response to a previous answer chooses the next answer.
- The contestant with the most points when all the clues have been revealed is the winner. The winner gets to lead family prayer for a week.
