Our Lady of Sorrows Catholic Church

July – August 2021

IMPORTANT NOTES

- Even when Deacon An Vu is present, the lector still reads the Prayers of the Faithful.
- The lector also reads the announcements following the Prayer after Communion (unless Father decides to read them himself).
- Lectors do not need to enter the Sanctuary through the middle when coming up to the ambo to read.
- When the Lamb of God begins, the EM of Communion goes to the side entry way, sanitizes his/her hands and waits until the altar bells are rung. Then the minister goes to his/her place on the Sacred Heart side of the altar.
- All lay ministers are welcome to still wear face masks. However, they are not required.
- The Precious Blood will still not be offered.
- At the 5 pm Mass, the EM of Communion brings Holy Communion up to the organist after giving Communion to the congregation. The host for the organist is always in a separate pyx on the altar.
- If you previously served as a lay minister before the pandemic, and your name is not showing up on this schedule, please let James know so you can serve again. Or, if you do not yet wish to serve, please let us know.
