THEMES OF TODAY'S SCRIPTURE PROCLAMATIONS

- Endurance means "to be hardened" and often comes through a long & unpleasant process. Our hearts, however, cannot be hardened if the Spirit is to strengthen us for the process and grow us for enduring use in the Kingdom.
- Whether we do things "the easy way" or "the hard way" is often determined by whether we are living for Earth (and all its trappings) or heaven (and all its offerings).
- "In doing what we ought we deserve no praise because it is our duty."-St. Augustine
- A Christian who does not prayerfully prepare for hardships will not last.
