Be kind.

### Epiphany, Feast of Light

On this day, dear Savior, Your light shines brightly in our midst. You are the Light of the World, the Light in our darkness, ever with us, ever showing us the way. On this great feast of Light, when the Magi came guided by a star, may we, like them, offer You gifts that symbolize our love for You. May we offer You the gold of our faith, the myrrh of our repentance and the frankincense of our devotion. On this day, may we, too, stand in Your light and so give glory to our God. Amen.

**Gifts of the Magi**

Where did the gold come from? Yemen is the present-day location of the ancient civilization of Sheba. The kingdom's fabulous wealth was based on gold mines in Ethiopia.

There are more intriguing clues based on three gifts. The Arabian peninsula — especially the area of Midian and Sheba — is the only place in the world where the specific plants grow from which are harvested the resin to make both incense and myrrh. These two rich gifts — used for their aroma and for medicinal purposes — were the cash crops of this part of the world.

The origin of the three gifts would indicate that the Wise Men came from the Arabian peninsula. And the gifts were not simply rich gifts offered to Christ, but were symbolic gifts from the kingdoms of their origin.
