

May this Christmas bring you and your families the **Joy of the Good News**. Our Lord Jesus Christ loved us so much that he humbled himself to become man and suffer and die for our salvation. That is the good news of the Gospel. Take time to thank Our Savior during your holiday festivities.

I want to **thank everyone** who helped out this year with their time, treasures and talent. There are too many people to thank individually and I don't want to forget anyone; you know who you are and be assured that I am extremely grateful to one and all. This parish never ceases to amaze me with their generosity and commitment to Holy Mother Church, especially during this "unique year". May all the blessing of Our Lord Jesus Christ, through the intercession of Our Lady, the Blessed Virgin Mary, descend upon you and remain with you forever.

Christmas Mass schedule: Christmas Eve, **4pm St Mary**, and **6pm St Ann**, Christmas Day 9am St Ann. We still request that mask be worn. We will be utilizing the whole facility at St Mary. If there is still not enough space, watching the Mass from your car and then coming for Communion is an acceptable, though less than ideal, option. Masses at St Ann are not broadcast, so attendance in church is the only option.

Collection for **Heartbeats** will continue until January 3, 2021. Diapers size 5-6, children's clothes newborn to 4T or monetary donations are appreciated.

Felicem natalem Christi! Merry Christmas!
