

It is again with sadness that I announce that Bishop Brennan, in conjunction the Catholic Conference of Ohio bishops, has extended the suspension of public Masses and gatherings through May 3.

The schedule for Holy Week will not change. we will continue the Mass schedule for live video Masses at 4:30 pm Saturdays. RCIA and Confirmation are uncertain at this time. First Communion was scheduled for May 3. Tentatively, we will have it the following weekend, May 10. Everything, as I'm sure you have noticed, is subject to change.

Please remain constantly in prayer for yourselves, your families and friends, those afflicted by the virus and most of all Holy Mother Church. Remember our expenses continue. I know these are uncertain economic time, but if you can, please continue to support the parish financially.
