

Thoughts from the Deacon

Thursday June 4, 2020

I am happy to announce that Bishop Brennan has given us approval for our 3rd annual Corpus Christi Procession, June 14, St Ann, after 9:00am Mass. Everyone is welcome, as we can easily have social distancing outside. Our world today is in dire need of acknowledging and living as if Christ is King, because He is and will have the final say in everyone's life. The public display of our Faith is a powerful evangelism tool. You never know whose heart will be touched and converted.

Time spent in Adoration of the Body, Blood, Soul and Divinity of our Lord Jesus Christ, that is contained only in the Eucharist here on earth, is never wasted.

Viva Christo Rey!!
