

Thoughts from the Deacon

Feast of the Archangels: Michael, Raphael, Gabriel

October is the Month of Mary and the Rosary. Please take time to pray the Rosary daily. It is a powerful weapon against evil. Our Lady waits for us to call upon her to intercede for us. She is the Patroness of the Americas after her appearance as Our Lady of Guadalupe. At the time of her appearance human sacrifice was still a routine gruesome part of the Aztec "religion". Our Lady came to end this practice and as such has been proclaimed by the Church to be the Patroness of the Unborn. Pray the rosary to protect you and family from the evil one and to end the scourge of abortion. Pray that we be sent a Holy Pastor. Pray for the country.

Catholic Youth Summer Camp registration will open **tomorrow**, Sept 30. In honor of Father Franks, we will again be offering a \$300 scholarship to any youth who wants to attend. If you want to go, you need to **do it on the first day if possible**; last year it was full on the first day by early morning. Website: www.cysc.com. Use code MUSKINGUM21 to register.
