

Happy Easter Season. May the graces of our Lord Jesus be showered abundantly upon you and your family during these 50 days of celebration of the Resurrection. Give thanks to the Lord for He is good, His love is everlasting.

Thanks to the "Old Guard" that helped take down the trees at St Ann. The trees are classified as invasive now and drop a lot berries that stain everything. We are replanting tonight; any help would be appreciated. We start at 6pm.

The **Bishop's Annual Appeal** will start the weekend of May 1st/2nd. Thank you for all your generosity during the last year; I firmly believe that it greatly helped in showing the Diocese that we are a viable Parish and deserve a new Pastor. We will be announcing our needs after the Finance Committee next Week. If anyone has any ideas of a need for the Churches, I would like to hear from you. Let's give the new Pastor a great beginning by being generous again this year.

A letter went out last week to the entire parish regarding our 4th annual **Corpus Christi procession** on June 13, 2021. If you did not receive a letter, you are not on our mailing list. Please contact the office.

Remember that our goal as Catholics is to conform our life to Christ so that we may spend eternity with Him. In other words, to become a Saint. It is not a passive process. We are to study the Sacred Scriptures and the other Traditions of Holy Mother Church, which includes Her dogmas and Doctrines and the lives of the Saints. Easter Season is a good time to reflect on where our passions lie. If Christ is not at the top of the list, then as Catholics, we need to rearrange our lives and get our priorities in order. It is not how long we live, but **how we live that counts**. Pray and spend time with Christ in the Eucharist and the graces you need will be poured upon you. He gave His all for us and calls us to do the same for Him.

Viva Cristo Rey!!!
