

Thoughts from the Deacon

June 8, 2021

This weekend will be having our annual **Corpus Christi procession** at St Ann after the 9am Mass. It will be followed by a **reception to thank Fr. Blubaugh for all he has done**. Please take time to attend and show gratitude for his tremendous service to our parish over the last few years. Light refreshments will be served. Cards and monetary donations are appreciated.

The BAA continues; we are over goal by \$14,000. Thanks to all who contributed. There is time for anyone who is moved to contribute. Remember that our expenses will increase when we have the salary and benefits of a new pastor, including furnishing the rectory.

Happy early Father's Day to all fathers of the parish.

Pray for our new Pastor, Fr Ryan Schmit. He is looking forward to being here.

Viva Cristo Rey!
