Pro-Life Prayer:

God of all goodness, you have entrusted us with the gift of life. Help us to appreciate that gift from the first moments of conception to the last breaths of old age. Send you strength to all those who defend the unborn, the weak, and the dying against attempts to cut short their lives. May your Holy Spirit touch the hearts of those who are tempted to choose the way of death rather than life. Grant that your people may always be a sign of your love in the world. Amen.
