Heavenly Father, from the smallest cell to the largest creature, you are the origin and creator of all life. May we be so in awe of your wondrous power that we never take for granted the wonder of life, the beauty of creation or the potential of every person. We recognize the value and worth of human life, from conception to natural death. Help us to protect and nurture all life so that in perfect harmony we may offer to you a song of living praise. We ask this through Jesus, your Son, who lives and reigns forever. Amen — Rev. James Gaffney
