Prayer to Protect Life:

Loving God, I thank you for the gift of life you gave and continue to give to me and to all of us. Merciful God, I ask your pardon and forgiveness for my own failure and the failure of all people to respect and foster all forms of life in our universe. Gracious God, I pray that with your grace, I and all people will reverence, protect and promote all life and that we will be especially sensitive to the life of the unborn, the abused, neglected, disabled and the elderly. I pray, too, that Il who make decisions about life in any form will do so with wisdom, love and courage. Living God, I praise and glorify you as Father, Source of all life, as Son, Savior of our lives and as Spirit, Sanctifier of our lives. Amen.
