St. Jude Parish App

The St. Jude Parish App can be downloaded any one of 3 ways:
1. Through the App Store for Apple products or
   Google Play Store for Androids. Search **myparish.**
2. Via your phone's web browser at
   http://www.myparishapp.com
3. Using the QR code reader app to scan this code:

Quick Guide

After installing the app, tap **OPEN**. Tap **NEXT** through several screens to get a brief overview. Tap **FIND MY PARISH** and input 07828 in the **No Parish Selected** box. Tap **St. Jude Parish**, then **GET STARTED>**. Tap through a couple of highlighted icons. You will see **MESSAGES** and **TODAY'S READINGS**. Do not open these yet. Tap the icon in the upper right corner (4 boxes) and through 3 highlighted sections to go to the Home screen. Depending on your phone and phone setup, there might be 2 "Home" pages. Swipe to the left to see page 2.

The app has on-screen help available. Just tap the 3 horizontal bars in the upper left corner to access the **? Help** function.

Another great resource is the **About myParish App** menu item, also available via the 3 horizontal bars (top left). After you select ☩ **About myParish App**, tap **Menu**, (3 horizontal bars, top *right*), then **Features**, then topic (**Messages, Calendar, Readings...**) for excellent information about the benefits and operation of the chosen feature. Scroll down for a complete list of features from **Messages** through **MassMode™.**
