Dear Applicant,

Thank you for your interest in our programs. Our residential programs are designed to meet the particular needs of each participant and we combine individual, group and workshop opportunities for your personal growth experience. Our Guest Houses and Main Facility are air-conditioned. They provide individual bedrooms, conference rooms, library, TV room, dining room, kitchen and chapel as well as a fully equipped exercise room. The Mercy Center staff prepares lunch and dinner but breakfast is on your own. Participants help with cleanup after meals.

The Mercy Center invites you to come and learn more about the ministry of personal healing, wholeness, and well-being. We are located within the Colorado Springs area and are twenty minutes from the Colorado Springs Airport. We provide transportation to and from the airport. ***As we have space for only twenty residents, please contact the Mercy Center about program availability before sending an application and deposit. The earlier we receive your program application and fee, the earlier we can reserve your place.*** Please plan on arriving the Saturday or Sunday before your program starts and departing either Friday after 1 p.m. or Saturday a.m.

If I can be of further assistance to you, please do not hesitate to contact me.

In Christ,

Timothy Fogle
Marketing
