

He restores my soul.
He guides me along right paths
for the sake of his name. (Ps 23:3)

Do you think our culture needs transformation?

We do too. Here's what we're doing to help meet Jesus' thirst for life and promote transformation.

PerpetuaLife Care, Inc., a ministry rooted in the Holy Eucharist, has a mission to gently educate Catholics on the beauty of God's design for fertility. A design that honors their human dignity; recognizes that each person is made in the image and likeness of God; and reverences and respects each person as a gift.

The fruits of learning more about God's design are a culture of life and a healthy, vibrant Catholic school and parish community.

How Do We Help Light A Fire of Transformational Love?

→ Partner with Catholic Schools and Faith Formation Programs

- ◆ [ROOTED: K-12 Theology of the Body Curriculum Accompaniment](#)
- ◆ [ROOTED: K-12 Theology of the Body Catechist and Teacher Training](#)

→ Support Marriage and Family

- ◆ [Help parishes educate engaged couples about living out God's design for fertility](#)

→ Connect Parishes to Gabriel Project for Pregnant Moms in Need

- ◆ [Provide access to diocese-wide toll-free phone number](#)
- ◆ [Assist with parish signage](#)
- ◆ [Help with training and connection to PerpetuaLife Care](#)
