Dear Jesus,
Divine Physician and Healer of the Sick,
we turn to You in this time of illness
O dearest Comforter of the Troubled,
alleviate our worry and sorrow with Your gentle love,
and grant us the grace and strength to accept this burden.

Dear God,
We place our worries in Your hands.
We ask that You restore Your servant to health again.

You do for the love of us.

Amen

Reflection

"Unless your faith is firm, you shall not be firm!" Isaiah 7:9

Years ago when I volunteered in a local prison, I met a woman who had murdered her three young daughters. She attended the prayer service I was leading, but hadn't uttered a word or even lifted her head until we were almost finished. We had been discussing and praying about faith, or lack of it. Finally, she lifted her head and said, "That's what happened to me, I just lost my faith." You could have heard a pin drop.

To be sure, many people lose faith by do not go on to commit murder. Still, her testimony was as clear as Isaiah's. Our faith in Jesus Christ brings us redemption and life forever in the presence of God. But while we live, our faith brings us fullness of existence and firmness in our relationships, our families and our personal integrity. That firmness is an added bonus of faith that brings joy and meaning.

If you still don't understand, ask the person to say it another way or with gestures. Be patient - let them finish his or her sentences without jumping in to finish for them.

DONATE A BIKE IN AUGUST

Have an old bike sitting in your garage that you never ride
anymore? Your used bicycles can make a big difference in the
lives of Indy's homeless community. Started in 2011, our
Bicycles for the Homeless Ministry has given out over 1,700
bicycles. Our homeless neighbors need transportation to get to
jobs, medical appointments, social service agencies, etc. We
can accept just about any used bicycle as long as it is
in ride-able condition - we have volunteers that can make
minor repairs. Along with the bikes, we give accessories if they
are available through donations:

- ❖ a backpack
- ❖ helmet and lock
- ❖ and all bikes are equipped with lights and reflectors.

When possible, we like to include useful items in the
backpacks. We observe the recipient riding the bike to ensure
ability to safely ride it.

You can drop off your bikes, helmets, locks and backpacks at
the SVdP Distribution Center, 1201 E. Maryland Street. Should
you have five or more bikes to donate, call Jeff Blackwell,
317-924-5769 ext. 320 to make arrangements for a pick up
during the week.

Help us give your bike a second life with an individual who
deserves a second chance.

*“We should strive to keep our hearts open
to the sufferings and wretchedness of other people,
and pray continually that God may grant us
that spirit of compassion which is truly
the spirit of God.”*

St. Kateri, Star of Native People and Bright Light for all!

We thank God for your heroic courage,
constant perseverance and deep love of the Cross.

Pray for us that our love for Christ may deepen.

And may we imitate you in following God's Will
even when difficulties arise.

In Jesus' name we pray. Amen

St. Kateri Tekakwitha

A SAINT FOR OUR TIMES

Saint Kateri Tekakwitha made a heroic decision to respond to God's call to live a devout Christian life through her trials and

deep suffering—epidemic disease, tensions and fighting among warring Indian tribes, and the severe persecution of her faith.

Even though she lost her family, her eyesight, her physical beauty, her good health, and her village, she used all of these extremely difficult personal circumstances to cultivate a life of deep prayer and sanctity.

She is a model for our own times in that she shows us how, with faith in

Christ, we can persevere no matter what personal calamities, social unrest, or religious persecution may come to us. St. Kateri overcame every obstacle by submitting herself entirely to Jesus Christ. She is also a model for young people who are striving to live a holy and chaste life, especially without the guidance of parents.

Pope St. John Paul II, at her beatification, called St. Kateri God's "bountiful gift" to His Church and a "sweet, frail yet strong figure of a young woman." It is said that St. Kateri's last words were, "Jesus Konoronkwa," which translates, "Jesus, I love you."

At her canonization Mass, Pope Benedict XVI remarked on the miracle of grace in her life, how she rose to such a height of sanctity despite the circumstances of her upbringing, which would otherwise have been detrimental to the fostering of a Christian vocation.

"Kateri impresses us by the action of grace in her life in spite of the absence of external help and by the courage of her vocation, so unusual in her culture. In her, faith and culture enrich each other! May her example help us to live where we are, loving Jesus without denying who we are. Saint Kateri, Protectress of Canada and the first native American saint, we entrust to you the renewal of the faith in the first nations and in all of North America! May God bless the first nations!"

St. Kateri is the patron saint of ecology and the environment, orphans, Native Americans, and people ridiculed for their piety.
