Finance Council

March financial statements reviewed with no issues noted. Ordinary collections are running approx. \$9,700 below budget. The new Maturing Adult Ministry requested a subsidy of \$7,300 for the 2019/2020 fiscal year. A balance budget was developed and will be presented to the Pastoral Council at the May meeting.

Approval of Minutes

March minutes were approved.

Building & Grounds Committee

The new Building & Grounds Committee has been identifying needed projects throughout the campus. A priority list has been created and the committee will begin tackling the most urgent and quickest/easiest repairs first.

Check-in on Pastoral Council Goals

Discussion: Do we want to continue working on separate Pastoral Council goals going forward?

Focus could be directed to Strategic Plan, Stewardship, & Parish Soft implementation.

The council decided to assign members to work on the Strategic Plan and the Stewardship Committee for the 2019/2020 year instead of working on separate goals.

Open Forum

Sarah Vivo gave a report on the St. Mark Dinner Dance. The event brought in about \$11,000 for the parish. This is down from the usual amount of about \$14,000. The difference was in the way the auctions were handled this year. We had 300 attendees with 66 attendees taking advantage of a free or reduced price ticket. The Dinner Dance committee is looking at alternative ways to run the auctions and ways to get more sponsors.
