The word 'disciple' and 'discipline' have the same root. Discipline is not often associated with joy or happiness. Many would propose the opposite. In reality, anyone who has ever completed a book, run a marathon or finished restoring an old car knows the discipline necessary to accomplish the goal. It costs them something. Happiness follows. Being a disciple of Christ must cost us something. The ultimate goal is eternity with the Lord. Please consider some of the ways below in which you might strengthen your joy and happiness this year by strengthening your discipleship.

Service

Each of us is part of the global Church mission to "go out and make disciples" by sharing our God-given gifts with the world. Service is an important component of our stewardship mission. You can make a commitment to service by exploring the opportunities in our Stewardship Booklet at stmarygreenville.org/Get Involved.

Sharing

The biblical principle of tithing calls us to express our gratitude to God by giving him the first 10% of our income. Many people have found that tithing faithfully increases their joy, peace and awareness of God's many blessings in their life. The chart below invites you to take a step toward this goal. God is never outdone in generosity!

Income	3% Weekly	3% Annually	5% Weekly	5% Annually	10% Weekly	10% Annually
\$30,000	\$17	\$900	\$29	\$1,500	\$58	\$3,000
\$70,000	\$40	\$2,100	\$67	\$3,500	\$135	\$7,000
