

Light of Christ Academy
SCRIP (School Cost Reduction Incentive Program)
Registration Form 2020-2021 School Year

GENERAL INFORMATION

Percent Split

The SCRIP program operates with an 50/50 share. This means that families get 50% of the credit (towards tuition) and Light of Christ Academy will receive 50% for the general fund.

Payment Methods.

The best way to pay for SCRIP cards is with a linked bank account online. We also will only be accepting cash and checks as payment due to the cost of credit card transactions. Checks should be made payable to Light of Christ Academy (put SCRIP in the memo). Your check is not a tax-deductible donation because you are receiving dollar for dollar value.

How can SCRIP credits be used?

Credit may be used only for tuition. If a child leaves Light of Christ Academy for any reason, any SCRIP credits may be applied toward an outstanding tuition balance, toward another family's account, or to the general fund.

Lost Cards

Because the SCRIP Cards are actual gift cards, they are to be treated as cash. If cards are lost or stolen, it is not possible to replace them.

Awarding of SCRIP Credits

SCRIP credits will be credited to each student's tuition account on December 31st and April 30th. SCRIP statements will be sent home with each child.

Returned Checks

Non-sufficient fund checks will incur a fee of \$30. The fee will be deducted from SCRIP earnings if available or must be paid before a family can place another SCRIP order. If two NSF checks are tendered on a SCRIP account in the same year ordering privileges will be suspended.
