

# Pesticide Prior Notification Request

Dear Parents/Guardians,

As a part of the Nouvel Catholic Central Elementary & Middle School pest management program, pesticides are occasionally applied to school property. These applications always takes place on a Saturday or a day off from school. You have the right to be informed prior to any pesticide application made to the school grounds and building. In certain emergencies, pesticides may be applied without prior notice, but you will be provided notice following any such application. If you would like to receive prior notification of these applications, please complete the information below. Please contact the school if you have any questions or concerns regarding this practice.
