

Nouvel Catholic Central Schools

Called by Christ to learn, love and lead... courageously.

March 19, 2020

Dear Nouvel Catholic Central Community,

As we continue to work to through the various challenges created by COVID-19, we are interested in your, as well as your child's, experience through one week of modified instruction. We ask that you take some time in the next few days to speak with your child and provide some feedback via the brief, ten-question survey: [NCC, C- 19, Week 1, Student-Parent Survey](#). (Please note that the survey contains a question regarding the Easter break schedule.) The survey will be available until 12 p.m. on Sunday, March 22.

Once the survey deadline passes, Sr. Ann, Mr. Decuf and I will be reviewing the survey data to identify how we may be better able to serve our students. Information from the survey, as well as feedback that Sr. Ann and Mr. Decuf have gathered from the faculty, will be used to determine what adjustments we may make as we move forward. On Monday, March 23 we will be sharing a general update with our community. You can expect to receive this message by the late afternoon.

Please note that teachers have been asked to withhold from assigning any additional work for this weekend beyond a lesson for tomorrow, Friday, March 20. (Some teachers may have provided assignments for next week in advance.) All assignments for Friday should be available no later than 11:59 p.m. today (3/19/20). It is our hope that the weekend will allow students additional time to complete assignments as well as enjoy some family time.

Thank you for your continued patience and prayers as we all continue to adjust and learn in the ever-shifting landscape we currently find ourselves in. I would encourage you to consider using the following prayer that was recently shared by the United States Council of Catholic Bishops - [COVID-19: A Prayer of Solidarity](#).

Respectfully,

Mr. Cormac Lynn
