OPPORTUNITY

"Nouvel provided me the tools to help me daily throughout my life. It helped me to develop social and intellectual skills including critical analysis and problem solving, which have helped me immensely throughout my career and personal life. I would not have had the opportunities that I have been presented with, without the foundation that Nouvel provided to me."

-Matthew Kelly, NCCHS Class of 2000

Our Annual Fund is the most important fundraiser at Nouvel. By cultivating annual giving, we will continue to establish and nurture a broad base of donor support that will ensure the fulfillment of our mission. This important funding, along with significant parish contribution, affords us the opportunity to keep tuition costs well below the cost to educate each student. These three funding sources are best illustrated as a three-legged stool; without each of the legs, it would surely fail to provide a stable foundation.

Your generosity creates immediate opportunities for:

- **Unrestricted Funds** - providing resources for school operations, faculty support, technology, building improvements and maintenance.
- **Tuition Assistance** - supporting families who would not otherwise be able to attend Nouvel. Currently 42% of our families receive tuition assistance.
- **Student Experience** - maintaining a safe learning environment and educational enrichment outside the classroom.

Join us in building a strong Annual Fund, keeping tuition affordable and making quality Catholic education a reality for years to come. Give **One Word** that describes what Nouvel means to you and make **One Gift** in honor of that word.

Each gift, no matter what size, will make a difference - **the Nouvel Difference.**
