Summer 2020

Dear Parents and Guardians,

Welcome to AQA preschool... an exemplary early childhood program! In addition to our high academics, we focus on the whole child in a spiritual setting that encompasses, fostering self-esteem, building relationships and character development. These goals are imbedded within our entire curriculum. We are a community of learners: parents, teachers and students. Aquinas Early Childhood Academy, (ECA) is the starting point of your child's journey. Our reputation for quality and service is well known throughout the community. We are an excellent program that has much to offer.

Here are some features of Aquinas Early Childhood Academy:

- Faith-based Catholic environment
- Year round service from 7:30 until 6:00
- In-person instruction five days per week (school hours)
- Certified teachers licensed from nursery through eighth grade
- Spacious, air-conditioned classrooms
- Lunch service (optional)
- Electronic security system

During these difficult times, we understand that parents need to be assured that schools are safe and secure. Be confident knowing, that we will maintain compliance with the guidelines established by the CDC and the State of New Jersey. All classrooms, bathrooms and gathering areas will be sanitized frequently. Class sizes will be limited and children will remain with the same group and teacher throughout the day. Most importantly be aware, that our entire staff is committed to the safety of all. Our goal is to establish a healthy, stress free setting, where all participants can flourish.

I look forward to meeting you in person,

Mrs. Gloria Castucci, Director of Aquinas ECC
